

BE SMART – DRIVE SAFE

One growing area of liability exposure within the Catholic Church is related to driving and transportation activities. In an effort to reduce this exposure, the Diocese of Lincoln requires all individuals who drive for the Church to take a defensive driving course prior to performing any driving duties. The following course takes less than 20 minutes to complete and training is free. As an added bonus, you may even be able to receive a discount on your personal auto insurance coverage.

Thank you for helping us with our transportation needs!

To begin the course:

- Go to the Catholic Mutual's website at www.CMGconnect.org. Click on "Select a Diocese". Choose Lincoln, Click "GO".
- Create an account by completing all of the information in the next several screens. If you have done training in the past, you already have an account. Please login with your previous username and password. If you cannot remember your username and password, please click the FAQ or the "Support" tab for additional information.
- Enter your information in the boxes provided. You will be asked to provide your address. Next you will be asked to provide your primary parish (St. Peter).
- Next, select how you participate within your parish or school. Please select all the job descriptions that are applicable to how you work or volunteer at St. Peter. This allows the platform to automatically assign training that the Lincoln Diocese requires you take.
- Once logged in, you will be able to select and complete the Be Smart – Drive Safe module. You must complete all sections within your required curriculum.
- Once you are finished, print a copy of the certificate and turn it in to the school office.

Please contact the office if you experience any difficulty with this program. For technical assistance, you may click the "Support" tab.
