Driver Packet

Dear Volunteer,

Thank you for taking the time to fill out this packet and drive students to and from our school. We are so blessed to have you be part of our school family. There are two steps you will need to follow when filling out the packet attached to this letter.

First, you will need to fill out the Volunteer Application Form. You will find that attached to this form we will need a copy of your drivers license and also a copy of your current insurance liability limits.

Second, you will need to go online and complete the Be Smart – Drive Safe program. The details of what to do are written on the sheet. Please be sure to email your completed certificate to: Kristine-Placek@cdolinc.net.

Thank you again for your dedication to our school. We could not survive without it!

God Bless,

Mrs. Kristine Placek
