

# School Dress Code

Personal appearance affects one's attitude and behavior. Good grooming exhibited through cleanliness, decency, and neatness indicates self-respect. The learning atmosphere is promoted when students look their best. We ask parents to ensure that their children are dressed appropriately for school. All clothes must be clean, without tears, holes, tattered, or faded and appropriately sized. The administration reserves the right to make discretionary judgments regarding the appropriateness of student dress.

If you need assistance acquiring an appropriate uniform, please contact the office.
