

St. Patrick students are encouraged to dress as a saint or Bible character on Monday Oct. 31st to recognize the Holy Day, All Saints Day, on Tuesday Nov. 1st.

If you would like for your child to dress up, please fill out the information below and return to their homeroom teacher no later than Friday October 28th.

Students will go through their entire day in costume if pieces are not easily removable. Please keep in mind recess and lunch when planning costumes.

(Teachers are not able to dress students in the morning—students should come ready to go!)
